**AN ACT TO AMEND PUBLIC LAW 26-32 THE GUAM
ENVIRONMENTAL PROTECTION AGENCY WATER
QUALITY STANDARDS**

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Findings and Intent. On August 10, 2001, the Acting Governor enacted Public Law 26-32, the Water Quality Standards for Guam Environmental Protection Agency. *Lihselaturan Guahan* has hence discovered a typographical error on page 23 of Public Law 26-32, Water Quality Standards.

Section 2. Amend page 23 of the Guam Environmental Protection Agency Water Quality Standards.

Page 23 of the Water Quality Standards previously enacted by Public Law 26-32 is hereby amended to read as "Exhibit A" attached hereto so indicates. Specifically, the "Applicable Criteria" for S-2 "Water Categories" is amended to read: " Columns B1, B2, and D1. All Pollutants."

Section 3. Severability. If any provisions of this Law or its application to any person or circumstances is found to be invalid or contrary to law, such invalidity shall not affect other provisions or applications of this Law which can be given effect without the invalid provisions or application, and to this end the provisions of this Law are severable.
