

## **SOLID WASTE MANAGEMENT FACILITY PERMIT APPLICATION COLLECTION**

### I. Authority

Pursuant to Public Law 23-64 codified as 10 GCA Section 51104(a) it states, "The Administrator is authorized and directed to issue permits for all collectors, operators and solid waste management facilities, their design, operation, maintenance, substantial alteration, modification or enlargement." Section 51102(45) defines solid waste management facilities as "any facility, or any machinery, equipment, vehicles, structures or any part of accessories thereof installed or acquired for the primary purpose of: collection, transportation, storage, recycling, processing or disposal of solid waste."

### II. Instructions

#### A. Section 1 - General Information

1. Type or print responses neatly in the appropriate boxes. If Business
2. Location (Line 4c) is the same as the Mailing Address (Line 4b), write "SAME". Otherwise, the applicant should provide an exact description of the business location as practical (e.g., Lot #241, Santa Rita).

#### B. Section 2 - Specific Information

1. The applicant shall select the subsection appropriate to his/her collection operation.
2. The information required in Section 2 shall be typed or neatly printed.

- C. The applicant shall use forms as provided by the Agency, shall make two (2) additional copies of the completed forms, and shall submit the original and a copy to:

Guam Environmental Protection Agency  
Attention: Solid and Hazardous Waste Management Program  
15-6101 Mariner Avenue  
Post Office Box 22439  
Guam Main Facility  
Barrigada, Guam 96921

The applicant shall retain the other copy for his/her files.

- D. If there are any questions about the permit application, please contact the Solid Waste Management Program at 475-1605/6/8/16.

### III. Fees

All new applications or renewal applications for collection permit shall be accompanied by a non-refundable application fee of **twenty-five dollars (\$25.00)** payable to the **Treasurer of Guam c/o Guam EPA** order. No cash please. . All fees shall be in the form of a check or money

#### Section 2 - Specific Information

- A. Collection Service Information - If the applicant is engaged in the business of providing scheduled collection service to other locations, then the following information is required:
1. the number and specifications of each type of collection vehicle in service including make, type license plate number, and crew size (please provide vehicle registration(s));
  2. a representative copy of the route map or schedule sheet to be used by the collection crew in the performance of daily assignments; This will include the different customer names that are being served.
  3. a narrative description of the schedule and method of collection operations; and
  4. estimated monthly volume or weight of solid waste collected;  
and
  5. a copy of the business or contractor's license.
- B. Generator Collection Information - If the applicant provides collection service only to his business, then the following information is required:
1. the estimate volume or weight of solid waste collected per week;
  2. the schedule and route used by the vehicle transporting the solid waste;
  3. identification of any vehicle used for collection including make, type, and license plate number (please provide vehicle registration(s)); and
  4. a copy of the business or contractor's license.

**NOTE: The information required under Section 2 of the permit application must be attached for the application to be accepted. In addition, the applicable permit fee must accompany the application.**
