

# GUAM RECYCLING GUIDE

Use this easy guide to find a place to take your waste. Be aware that some facilities will pay you, others will take waste for free and some may charge. Facilities and services listed may change. For the most up-to-date information call the company or Guam EPA at 300-4751/52/53. A list that is updated monthly can be downloaded at [epa.guam.gov](http://epa.guam.gov).

## Plastics 1 and 2

Check the bottom of the plastic item and make sure it has a 1 or a 2 in a small triangle.

- **Pyramid Recycling**  
Harmon Industrial Park,  
646-8130

## Aluminum Cans

Mr. Browns cans are made of steel. Do not put them in aluminum recycling bins.
