ALL LIVING THINGS OF THE EARTH ARE ONE

Use this guide to find a place to take your waste.

Some facilities will accept your waste at no cost and may even pay you for certain waste types while other facilities may charge a fee to accept your waste. For the most up to date information on hours of operation, fees and waste types accepted, contact the facilities directly. **Call 671-588-4751/2 or visit epa.guam.gov/recycling for further assistance and information.**

2026 GUAM RECYCLING GUIDE

GSWA customers: Scan this QR code to learn about household hazardous and bulky waste disposal:

Guam Solid Waste Authority Household Hazardous Waste Facility

The facility allows residential customers to dispose of their everyday toxic material. Customers are limited to 15 gallons or 100 pounds of household hazardous waste items per day. The facility is open from 9 a.m. to 5 p.m., Thursday through Monday and is closed on Tuesday and Wednesday and on all Government of Guam holidays. There is no charge to residents of the island of Guam. The expense for this facility is borne in the per ton tip fee of municipal solid waste.

From the garage

- Antifreeze
- Automobile Oil
- Brake Fluid
- Contact cement
- Fluorescent light bulbs
- Joint compound
- Latex Paint
- Non-automotive oil
- Oil Filters
- Shellac

- Mothballs
- Pesticides *solid only
- Rat poison
- Shoe Polish *solid only
- Thermostats
- Weed killer *solid only

Hazardous liquids waste disposal may not always be available. You are urged to contact GSWA for complete details.

Guam Solid Waste Authority Bulky/Metallic Waste

GSWA customers are able to request collection service of appliances, mattresses, hot water heaters and other bulky waste by calling GSWA's customer service center to make an appointment (671-646-3111).

The GSWA provides two free collections a year to customers in good standing. Customers requesting collection service are given a day for collection of up to five items, which must be placed at the curb. Collection crews cannot move bulky and metallic items to the curb on private property. For additional collections beyond the two free collections per year, GSWA invoices the customer for \$25.00 per pickup. The materials collected in this program are recycled to the extent practical.

White Goods/Metallic Waste

- Water Dispenser
- Stove
- Dryer
- Washer
- Water Heater
- Air Conditioner
- Refrigerator
