Guam Environmental Protection Agency

Type 4 ANODS O&M Provider Certification

This Permit is hereby issued to

GREEN TECH

And certifies that the aforementioned person has an operating permit for

Advanced Nitrogen-Reducing On-site Disposal System (ANODS)

In accordance with 22 GAR § 12114, § 12115, & § 12118

This permit is non-transferable and conditioned upon the holder observing the government code of Guam and all rules, regulations and orders of the Guam Environmental Protection Agency. No person shall willfully deface, alter, forge, counterfeit, or falsify this permit. Any such activity shall cause the immediate revocation of certification. Should the maintenance contract submitted with the permit application be canceled or terminated for any reason, the Guam Environmental Protection Agency should be notified immediately. Failure to keep the maintenance contract current may result in revocation of certification. This permit is valid for a period of two (2) years from the date of issuance. The renewal application for this certification shall be submitted to the Guam Environmental Protection Agency a minimum of thirty (30) calendar days prior expiration date. This certificate must be displayed at location of operation.
