SETTLEMENT AGREEMENT AND GENERAL RELEASE

4-1) · · · ·

This Settlement Agreement and General Release ("Settlement Agreement") is entered into this Haday of February, 2025, by and between, on the one hand, GUAM ENVIRONMENTAL PROTECTION AGENCY ("GEPA") and TRISTAR TERMINALS GUAM, INC. ("Tristar"), (each party is referred to individually as "Party" and collectively as the "Parties"). This Settlement Agreement is made with reference to the following facts.

- A. On January 8, 2023, GEPA conducted a site investigation at the Tristar Terminal at the F1 Pier at Port Authority of Guam and discovered spillage of petroleum fuel into the harbor from a sump tank owned by Tristar;
- B. Based on GEPA's investigation, GEPA issued a Notice of Violation, Order of Compliance, and Administrative Penalty Order (NOV/OC/APO) No. SW 23-004 ("NOV") to Tristar, alleging violations of the Guam Solid Waste Management and Litter Control Act, 10 G.C.A. Chapters 51 and 76, and Title 22 GAR, Chapter 50;
- C. Pursuant to the NOV, GEPA assessed administrative penalties against Tristar of \$1,000.00 under 10 G.C.A. §51110(a)(3) and \$11,519.00 for violations of 10 G.C.A. §\$76105(a) and 76106(a);
- D. GEPA alleged that Tristar was responsible for releasing approximately 100 gallons of petroleum fuel and committed "gross negligence" in not ensuring the tank and/or secondary containment was in good repair and in a condition that would preclude the release of petroleum fuel into the environment;
- E. GEPA also issued an Order of Compliance requiring Tristar to, among other things, immediately cease using the sump tank or secondary containment area of the sump tank to store petroleum fuel;
- F. Tristar denies all of GEPA's allegations and further denies it committed "gross negligence";
 - G. Tristar filed a Verified Petition appealing the NOV on February 10, 2023;
- H. The Parties have agreed to resolve their differences and disputes concerning the NOV in accordance with the terms and conditions of this Settlement Agreement, and to release, discharge and terminate any and all claims, controversies, causes of action, rights, warranties, liabilities and obligations.
- I. The Parties agree that the settlement embodied in this Settlement Agreement is made in good faith and for full and fair consideration.
- J. This Settlement Agreement is made for settlement purposes only and shall not constitute an admission of liability by any Party to it, as more fully set forth below.

ACCORDINGLY, in consideration of the foregoing recitals, the compromise of their respective claims and contentions, and the mutual promises, representations, and warranties contained in this Settlement Agreement, the Parties agree as follows:

- 1. <u>Amount and Form of Payment</u>. In consideration of the promises, representations and warranties made by GEPA herein, and other good and valuable consideration, Tristar shall pay to GEPA the total sum of \$6,500.00, payable within thirty (30) days after execution of this Settlement Agreement.
- 2. <u>Order of Compliance</u>. In consideration of the promises, representations and warranties made by GEPA herein, and other good and valuable consideration, Tristar shall perform the following remedial measures:
- A. Immediately cease using the sump tank or secondary containment area of the sump tank to store petroleum fuel;
- B. Prior to the next ship to shore fuel transfer operation, submit to GEPA a plan of how and where the residual spilled fuel from the ship to shore fuel transfer will be collected and stored prior to its removal by Unitek Environmental Guam;
- C. Prior to using the current sump tank and secondary containment area for the storage of petroleum fuel, Tristar shall repair and upgrade the existing Underground Storage Tank System in accordance with Section 50121, Chapter 50, Title 22 GAR or permanently close the tank.
- and a finding that the release of petroleum fuel into the Piti harbor was approximately 100 gallons. In addition, GEPA found that Tristar committed "gross negligence" in not ensuring the tank and/or secondary containment was in good repair and in a condition that would preclude the release of petroleum fuel into the environment. In consideration of the promises, representations and warranties made by Tristar herein, and other good and valuable consideration, GEPA shall amend its findings to provide in the NOV and reports issued by GEPA on this matter, that the release of petroleum fuel into the Piti harbor was approximately 17 gallons, not 100 gallons. In addition, in the NOV and reports, GEPA shall amend its finding of "gross negligence" to state that Tristar did not ensure that the tank and/or secondary containment was in good repair and in a condition that would preclude the release of petroleum fuel into the environment.
- 4. <u>Dismissal of Appeal</u>. Upon execution of this Settlement Agreement the Verified Petition of Appeal filed by Tristar shall be dismissed with prejudice.
- General Release. - 10. <u>Integration</u>. This Settlement Agreement constitutes the complete and final expression of the entire and only understanding between the parties relating to the subject matter of this Settlement Agreement, and supersedes any prior written and oral representations between the parties. This Settlement Agreement may not be altered or amended except by a writing signed by the Parties.
- 11. <u>Severability</u>. If any portion or term of this Settlement Agreement is held unenforceable by a court of competent jurisdiction, the remainder of this Settlement Agreement shall not be affected and shall remain fully in force and enforceable.
